The reply filed on 5/23/05 is not fully responsive to the Notice of Non-Compliant appeal brief because of the following omission(s) or matter(s): The appeal brief does not contain a concise explanation of the subject matter defined in each of the independent claim involved in the appeal, referring to the specification by page and line number and to the drawings, by reference characters. Each independent claim must be mapped to the specification and drawings. a mere statement of "see patent application figures 36 and 37 and related discussion" without an indication of which elements map to what claim limitations is insufficient. A limitation by limitation mapping of the claim language of each independent claim to the specification and drawings is required. See 37 CFR 41.37 (c)(1)(v). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. The time period to reply continues to run from the date of the Notice of Non-Compliant appeal brief. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136
